# IT'S TIME TO ACT.

▀ **Being in business for yourself is one of the most exciting and rewarding things that you can do.**

It can be challenging, it can be tough, but the satisfaction of running and building a successful business is immense.

So if you're wanting to sell a business you've built up over time, or want to buy an independent future for you and your family, we're the people to talk to.

At ABC Business Sales, we've been connecting business people to opportunities for nearly 30 years, and we're very good at it. Even our peers acknowledge it and have awarded us the REINZ 'Business Brokerage of the Year' (on a number of occasions).

➤ **Every business has its own story to tell. Every buyer has their own ambitions and goals. Matching the right buyer with the right seller, and managing the complete process so that both are rewarded is a definite art.**

To achieve that, we consult. We find out what your aims and expectations are, your talents, and where you are financially. Armed with this knowledge we will do our utmost to ensure that sellers maximise the value of their businesses. For buyers; we'll search out a business that fits with your passion, personality and long-term goals. Our success relies on your success, we see our role as that of a partner, with a vested interest in getting you the best result possible.
